3.	WIMS Technology	We would like to know payment processing of work done. We would like to know that when will you considered work has been completed, once we launched ERP or something else.	Will be discussed at time of signing of Agreement.
4.	Computeronix Bihar Pvt. Ltd.	1. Point no. 2 of Eligibility Criteria under Section II demands the "Turnover of Bidders' not less than 200 lakhs. As we know from our more than twenty years experience of doing same job under BNRC, the annual worth of this job will be around Rs. 40-50 lakhs. Hence expecting Rs. 200 lakhs yearly turnover does not look a genuine requirement - Please cut it to below 50 lakhs so that we can participate and do good job for your university. 2. Point no. 4 of Eligibility Criteria, Asking for 50 OMR scanners, as we think, will be wastage of resources. With high speed scanner we can achieve the target using 10-15 scanners - Please consider that work should be done on time rather than 50 machines.	1. Any such relaxation in Turn-over is not feasible. 2. Not considerable.
