

The Boundary of the logo is the defining element of the unit. The design is an abstract illustration of grains and the numerous grains are symbolic of the multitude of population. The circular shape signifies the 360 degree medical education which the University is set to impart.

The Caduceus or the staff of Hermes, depicted as a stick entwined by two snakes and surmounted wings is the symbol of modern medicine in India and elsewhere. We refined the shape to nicely sit inside the circle

The Two hands symbolize Expert Care. One is the nurturing hands of teachers and second is the caring hands of doctors

The plus and the human element symbolizes Medical Faculty and its relationship with Students. The Human figure is an organic shape and is also descriptive of regular advancement in medical education.

The Prestigious looking color palette portrays BUHS as a well-established and respected educational organization

*Purple symbolizes peace and creativity and it encourages, uplifts, Inspires wisdom and enlightens*

*Blue is the color of the Oceans and the Sky. It symbolizes serenity and reliability.*
